

Minutes- Board Meeting  
May 12, 2019

Attendance- Chris Cashel, Amy Mullins, Stacia Wert-Gray, Christina Harmon  
Brought to order at 5:00 pm

1. Financial Report- We are solvent. About \$2800 in the bank, \$1500 in PayPal. The schooling show on May 11 cleared about \$500.
2. Newsletter- Nancy Spring has resigned as editor. We will seek a new editor. Meanwhile, Chris will write a thank you for a newsblast. Amy will then post a help wanted for the newsblast and website management as well as newsletter editor.
3. Member Confusion- It has come to our attention that some people who affiliate with us joined ODS. We will talk with them privately and work to clarify that there are 2 GMOs in the state. There is still some confusion about having two GMOs.
4. Solicitations- Other GMOs are soliciting money to support programs. We did contribute a small amount for the Houston GMO but will not contribute to others.
5. Year end awards- We will be looking at potential year end prizes soon. Horse of Course and Majik Tack will be asked if they can help procure items.
6. Team Challenge coming up! Just a fun idea to get members to mingle and support one another at shows. The east schooling show on May 25, the west schooling show on June 1 and the Recognized show on June 25-26 will off riders a chance to form a team and compete for a limited edition prize! No cost to riders.

Meeting adjourned at 5:30 pm
